Subject: Cancellation of Ex Parte Briefing on August 1, 2019

This email was dictated by Richard Whitt:

Jocelyn and Joseph:

1. Our client, Transcontinental Gas Pipe Line, Company, LLC, ("Transco") appreciated your scheduling an Allowable Ex Parte Briefing for us on August 1, 2019, at 10:00 a.m.
2. Unfortunately, two of our three presenters have developed a scheduling conflict on August 1, 2019. Accordingly, we would like to cancel our request for the August 1st Briefing.
3. The leadership at Transco plans to reschedule the Briefing at a convenient time in the future and looks forward to appearing before this Commission.
4. Please advise if you need any additional information.

Regards,
Richard Whitt,
Jeff Griffith.
